

To: Honorable Mayor and City Council Members

From: Bernadette Harvill, Deputy City Manager

Date: Submitted on August 28, 2024 for First Presentation and Public

Hearing on the September 4, 2024 Regular City Council Meeting and Unfinished Business for the September 16, 2024 Regular City

Council Meeting

Agenda Item: Consideration of an Ordinance of the Mayor and Council of the

City of Milton, Georgia, to Adopt Amendments to the Fiscal Year 2024 Budget for Each Fund of the City of Milton, Georgia Amending the Amounts Shown in Each Budget as Expenditures, Amending the Several Items of Revenue Anticipations, Prohibiting Expenditures to Exceed Appropriations and Prohibiting Expenditures to Exceed

Actual Funding Available

Department Recommendation:

The recommendation is to approve the budget amendments as proposed.

Executive Summary:

As the City budget is a dynamic rather than static plan, it requires amending from time to time. The proposed budget amendments enclosed are an update to the current budget as amended on April 8, 2024 and reflect the most recent circumstances and recommendations.

General Fund requests outlined include revenue anticipation updates. Some of the more significant increases to anticipations for revenue include: investment income, current year real property taxes, and a transfer in from the ARPA Fund to address qualifying salary and benefit expenses in the General Fund. There is also a decrease to the forecast for occupational tax revenue that is being recognized.

Milton's fiscal model of conservative budgeting coupled with current economic conditions has put Milton in a solid position moving forward. The City's budgetary and fund balance policies are clear that fund balance exceeding required reserves must be spent on one-time expenditures that are nonrecurring in nature. With that in mind, the proposed amendments include a transfer out to the pay-as-you-go program in the Capital Projects Fund in the amount of \$600,000, the majority of which is going towards land acquisition costs and the Deerfield Implementation Plan (please see pp. 7, 18 and 19 of Exhibit A for more details).

The enclosed amendments also include updates to the revenue and/or expenditure forecasts for the following Funds:

Special Events Fund

Operating Grant Fund

SERVICE • TEAMWORK • OWNERSHIP • LEADERSHIP • RURAL HERITAGE

- Hotel-Motel Tax Fund
- Opioid Settlement Fund
- ARPA Fund
- Capital Projects Fund
- Greenspace Bond Fund

- TSPLOST Fund
- Capital Grant Fund
- Impact Fees Fund
- Revenue Bond Fund

The public hearing for this amendment was advertised in the Milton Herald on August 22, 2024 and August 29, 2024 and will include detailed discussion of the amendments outlined in the attached document.

Funding and Fiscal Impact:

Please refer to the attached budget amendment documents (Exhibit A).

Alternatives: Other directed Council action.

Concurrent Review: Steve Krokoff, City Manager

STATE OF GEORGIA

FULTON COUNTY

AN ORDINANCE OF THE MAYOR AND COUNCIL OF THE CITY OF MILTON, GEORGIA, TO ADOPT AMENDMENTS TO THE FISCAL 2024 BUDGET FOR EACH FUND OF THE CITY OF MILTON, GEORGIA AMENDING THE AMOUNTS SHOWN IN EACH BUDGET AS EXPENDITURES, AMENDING THE SEVERAL ITEMS OF REVENUE ANTICIPATIONS, PROHIBITING EXPENDITURES TO EXCEED APPROPRIATIONS, AND PROHIBITING EXPENDITURES TO EXCEED ACTUAL FUNDING AVAILABLE.

BE IT ORDAINED by the City Council of the City of Milton, GA while in a council meeting on September 16, 2024 at 6:00 p.m. as follows:

WHEREAS, the City Manager of the City of Milton has presented amendments to the fiscal year 2024 Budget to the City Council on each of the various funds of the City; and

WHEREAS, each of these budget amendments results in a balanced budget, so that anticipated revenues equal proposed expenditures for each fund; and

WHEREAS, the amended fiscal year 2024 budget provides a financial plan for the government, establishing appropriations for each operating department in order to extend services;

NOW, THEREFORE BE IT ORDAINED that this budget amendment, "Exhibit A" attached hereto and by this reference made a part hereof this ordinance shall be the City of Milton's amended fiscal year 2024 budget; and

BE IT FURTHER ORDAINED that this budget be and is hereby approved and the several items of revenues shown in the budget for each fund in the amounts anticipated are adopted and that the several amounts shown in the budget for each fund as proposed expenditures are hereby appropriated to the departments named in each fund; and,

BE IT FURTHER ORDAINED that the expenditures shall not exceed the appropriations authorized by this budget or amendments thereto provided; that expenditures for the fiscal year shall not exceed actual funding available.

ADOPTED AND APPROVED this 16th day of September, 2024.

CITY OF MILTON, GEORGIA

Exhibit A

City of Milton, Georgia Fiscal Year 2024

Summary of Departmental Budget Amendments

The goal of the fiscal year 2024 budget amendment is to revise departmental budgets and interfund transfers based on activity-to-date and future projections.

GENERAL FUND

The General Fund is the principal operating fund of the government and is used to facilitate current year operations. General Fund revenues have unrestricted use. Utilization of prior year unrestricted fund balance in excess of required reserves shall be deemed a one-time revenue source.

Expenditure requests are categorized into two categories: Salary and Benefits and Maintenance and Operating. Salary and benefits line items include salaries, overtime, paid time off, retirement, employer paid insurance coverages, and other associated payroll expenditures. The maintenance and operating category include expenditures related to operational line items such as maintenance contracts, supplies, professional fees, training, dues and fees, travel, utilities, communications, machinery & equipment, etc.

Revenue Amendments:

The changes in original revenue estimates for the following revenue sources are driven by an analysis of the activity-to-date. A projection was completed using available data suggesting the fiscal year 2024 revenue estimates could be adjusted by the amounts indicated in the table beginning on page 4. Some of the more significant changes are explained as follows:

- 1. Idle funds available for investment paired with current interest rates being maintained longer than initially projected have resulted in an estimated increase of \$300,000 to investment income.
- 2. After processing the most recent digest updates provided by Fulton County, the City anticipates an increase to current year real property tax revenue in the amount of \$145,000.
- 3. The City has recognized an adjustment to the transfer in from the ARPA Fund of \$161,745 as a result of interest earned on unspent funds and authorized funding to cover expenses associated with the City's single audit related to federal funds received. Interest earned on these funds are not subject to program restriction per final guidance from the Treasury.
- 4. A decrease of \$100,000 has been requested in the Business & Occupation Tax category based on historical collection trends and their relation to revenues received to-date.

Expenditure Amendments:

Comprehensive explanations for each of the amendments to the expenditure accounts are provided within the expenditures detail beginning on page 6.

REVENUE SOURCE:			
Occupational Tax Revenue	1,009,990	1,173,720	1,151,297

If a local government's revenue from occupational taxes exceeds the revenue collections from the previous year, a public hearing must be held to discuss how to use the extra revenue (O.C.G.A. § 48-13-28).

Additional revenues in the current fiscal year have been included in the pay-go transfer out to the Capital Projects Fund and any collections beyond the budgeted anticipations will go into fund balance and be used to fund non-recurring projects in future years.

Notes:

- This list does not include board/committee members who may be eligible for meeting attendance stipends, volunteers or unpaid interns.
- Initial amendments to the FY 2024 budget were approved by Council on April 8, 2024 and include one full-time Records Clerk in the Police Department and one full-time Facilities Technician in Public Works.

FY24 Amendment #2 Staffing Request Details:

- On May 20, 2024 Council approved a resolution requesting one full-time Firefighter position to ensure minimum staffing while an employee is on extended military leave. This position will transition to one of the positions needed to staff Fire Station 45 in FY25.
- Community Development has requested the addition of one full-time Director of Special Projects. This position will be the point person on the Deerfield Implementation Project (please see attached position request for additional details).

<u>FY 2024 expenses will be covered by the original funding allocated for the Director of Community Development.</u>

• Municipal Court will not be filling the part-time bailiff position at this time as Police staff have been filling the role. This staffing update includes the removal of the role from the position count.

SPECIAL EVENTS FUND & HOTEL/MOTEL TAX FUND

The Special Events Fund is used to track revenues and expenditures associated with running the City's special events. The primary revenue source for this fund is an interfund transfer in from the Hotel/Motel Tax Fund. A decrease in tax revenues is anticipated in the Hotel/Motel Tax Fund which also results in a request to decrease the interfund transfer line items between the two funds in the amount of \$5,000. Revenue anticipation updates to the sponsor fees for summertime events in the amount of \$8,388 has also been requested.

OPIOID SETTLEMENT FUND

The Opioid Settlement Fund has been established, as required by the UCOA, to account for the City's share of revenues from approved settlement agreements with manufacturers and distributors as well as the authorized spending of those funds. Similar to other special revenues, these funds are restricted to specific authorized spending opportunities. Due to the limits on spending within this fund, revenues will be recognized when received and restricted towards authorized purchases through the budget amendment process.

OPERATING GRANT FUND

When Milton receives operating grants in excess of 2% of the General Fund's expenditures, it must account for them in the Operating Grant Fund. The City currently has no active grants that meet the criteria and is requesting a transfer of remaining CJCC funds and interest to-date to the General Fund which will close the fund until a future qualifying opportunity arises.

AMERICAN RESCUE PLAN ACT FUND

In June 2021, the Georgia Department of Community Affairs set up a new fund to account for all Local Fiscal Recovery Funds received by local governments through the American Rescue Plan (ARP) Act of 2021. Requests include recognizing earned revenue related to expenses incurred in FY 2024 as well as interest earnings coming in higher than anticipated and corresponding transfers out of those funds to the General Fund and Capital Projects Fund as supported by program guidance.

CAPITAL PROJECTS FUND

The Capital Projects Fund is used to track revenues and expenditures associated with capital construction, acquisition, and maintenance. Appropriations in the Capital Projects Fund are on a project-length basis and do not expire until the project is complete. According to the City's budgetary policies, a major capital project generally is defined as an expenditure that has an expected useful life of more than three years with an estimated total cost of \$50,000 or more, or an improvement/addition to an existing capital asset.

GREENSPACE BOND FUND

This fund was set up to account for the bond proceeds and related purchases approved in the greenspace bond referendum and the corresponding debt service. Budget amendments related to anticipated property tax revenue have been requested and will be taken into consideration when calculating the millage rate needed to collect revenues to cover debt service due in future years. Additionally, a request to recognize interest earnings coming in lower than anticipated in this fund and a corresponding decrease to the expense account for land conservation have been made.

IMPACT FEES FUND

The Impact Fees Fund accounts for revenues and expenditures related to the City's impact fee program project list as originally approved in October 2015 and subsequently updated in July 2024. The following adjustments are to recognize revenues that are forecasted to come in lower than anticipated in FY 2024 and update those decreases across eligible project accounts. Additionally, there is a request to recognize funding from the General Fund as impact fee revenue to supplement credits issued to developers for approved work associated with impact fee eligible projects.

REVENUE BOND FUND

The Revenue Bond Fund accounts for revenues and expenditures related to the City's revenue bond issuances and the debt service due annually for bond series 2019. The following request accounts for project costs coming in lower than anticipated and a release of those budgeted funds to fund balance. Any remaining funds will be reassigned to debt service payments in a future year budget.
