When it comes to community, activities, and natural beauty, there's no place like Milton. It might involve meeting neighbors at one of our popular events. Or eating at a restaurant in our emerging downtown. Or taking a scenic drive past our signature horse farms. Or trekking along one of our nature trails. Whatever it is, those who spend time in Milton quickly see how unique, dynamic, and altogether special it is.

Milton's parks and its recreational offerings have increased in number, size, and quality in recent years. The City features several "greenspaces" – properties purchased with funds from a voter-approved \$25 million bond expressly for conservation and "passive" recreation purposes. Milton also boasts sought after "active" field spaces such as Bell Memorial Park and Legacy Park, with future athletic facilities in the works. Then there's Milton City Park and Preserve, which is a little of both as it is home to the City Pool, Community Center, and Tennis Center, as well as a 130-acre nature preserve. The City is proud, too, to offer a growing number of athletic and arts programs, all of them are led by trusted partners who utilize public spaces and coordinate closely with the City's Parks and Rec team.

These all contribute to Milton being a wonderful place to live, visit, and play. Best of all, you're bound to meet some great people whenever you're out-and-about in our great city.

Vision

.....
Milton will be a city recognized for its exceptionally high quality of life, strong sense of place and community, and dedication to preserving our rural heritage.

Values

.....
"Together We Thrive"
"It's All About Our Rural Heritage"
"Service Is Our Obsession"
"Own It, Deliver It"
"Lead From The Front"

MAYOR'S MESSAGE

Time outside is one of Milton residents' favorite pastimes. This comes with the territory when you live someplace this beautiful, with such great parks and facilities, and with opportunities to spend time with others outdoors in our great community.

For those in our youth athletic programs, time outside involves practicing and competing at Bell Memorial Park, Legacy Park, and other places around our area. For their parents, it means going to those same places to cheer on and support their kids – or, perhaps, get some exercise of their own. Especially once winter wraps up, we in Milton are fortunate to have great trails at places like Birmingham Park, Lakhapani Preserve, and Providence Park. We're in the process right now, too, of expanding the trail network at Milton City Park and Preserve – with new tennis courts, a playground, and more on the horizon as well.

If you're ever looking for ideas on what places you can explore and things you can do – outside and inside – you're in the right place. This Parks and Activities Guide is a useful, informative one-stop shop to discover ways you and your family members can be part of a growing array of rewarding, enjoyable programs.

Sincerely,

Mayor Peyton Jamison

MESSAGE FROM THE PARKS AND RECREATION DIRECTOR

Welcome to yet another edition of Milton's Activity Guide! Here at the Parks and Recreation Department, we are thrilled to offer a wide range of programs and activities designed to engage, inspire, and entertain our residents of all ages.

We're especially excited to introduce several new additions to this edition of the guide. This year, we're launching improved outdoor recreation camps for kids of all ages, featuring exhilarating rafting, zip lining, and biking adventures. It's an incredible opportunity for teens to connect with nature and build lasting memories with peers. We also have Back Country Basics, a new program that teaches the essentials of backpacking and hiking, perfect for those looking to explore the great outdoors with confidence.

Additionally, the improvements at Milton City Park and Preserve are going to enhance our community's recreational spaces with two new tennis courts, a playground, and a safer, redesigned parking lot. These upgrades are a testament to our commitment to creating inviting and versatile environments for everyone to enjoy.

Thank you for being part of the Milton community. We hope you find this guide helpful and inspiring, and we look forward to seeing you at our parks and programs.

Enjoy and stay active!

Tom McKlveen, CPRP, CYSA
 Director, Milton Parks and Recreation Department

PARKS AND RECREATION ADVISORY BOARD (PRAB)

Milton's Parks and Recreation Advisory Board consists of seven members, each appointed by the Mayor or a Council member, dedicated to providing quality spaces and programs for our community. PRAB, as this Board is known as, shares its valuable input with City staff, the Mayor and Council on a wide variety of matters – from what policies should be enacted to what activities should be offered to how parks should be utilized. The Board also plays an important part in guiding financial decisions. It meets generally on the third Thursday of every month in City Hall's Council Chambers.

SPRING/SUMMER 2025

Those looking for enjoyable, invigorating, and enriching activities this spring and summer – whether it's for themselves or their children – have lots of outstanding options through the City of Milton. The City partners with some of the best recreational providers around to offer a growing number of classes, team sports, and more held at City of Milton facilities. Some information can change over time, so check the specific program's website for the latest details.

HOW TO REGISTER

Below, you'll find most dates, locations, and other details for Milton's spring and summer programs. Signing up for these activities is a fully online process. Links and more info for each one can be found at www.miltonga.gov/Registration. Generally, registration for these programs opens during the fall and have closing dates (so sign-up early), though there may be variations. Many spring sports begin practicing in February, with games to follow. For some activities, you'll register through that program's own website. (Links to those programs' websites can be found below.) For others, you'll need to register through the City of Milton's recreation software, CivicRec. You'll start by creating an account, then pick which activity you want. For all the items below, Milton residents qualify for a lower "resident" rate (even, in a few cases, for programs happening in Alpharetta because of an agreement between the two cities).

BASEBALL

Summer is prime baseball season – and that includes camps facilitated by the Hopewell Youth Foundation. Participants will work on all aspects of the sport from pitching to fielding to hitting during these camps, which all run four days a week (with Friday being a rainout day). Instructors come from Howie McCann's Windward Baseball Academy.

How to register: Go to Hopewell's website at www.hopewellbaseball.org after February 1 and click on the "Registration" link.

FOOTBALL

The North Atlanta Football League – the City's youth football program provider – typically gives players an opportunity to get ready for the upcoming season at summer camps. Participants can work on their speed, agility, and other elements that will help them succeed on the gridiron.

Dates/Time/Location:

For information on these camps and NAFL in general, go to www.NAFL.club. You can register via that webpage. Milton citizens qualify for lower "resident" fees for all NAFL programs, even those taking place at Alpharetta's North Park.

BASKETBALL

Hoop it up during these camps run by the City's long-time basketball partners at Halftime Sports. These "Hoops City" camps are appropriate for young players at all levels, whether they sink three-pointers in their sleep or just picked up a basketball for their first time. They're placed in age-specific groups to learn, play, and have fun. There even will be interactive games with prizes!

CHILDREN'S THEATRE WITH CANDINEWS PRODUCTIONS

CandiNews Production is Children's Theatre designed to awaken the creative spirit and imagination through acting, musical theater, and movement in a safe, noncompetitive environment. We'll work on all aspects of theatre, script analysis, and music. Our goal is to provide you with the opportunity to have fun exploring the creative arts and discovering new talents while you build on those you already have.

We actively engage in theater exercises, participate in group warmups, and work with fellow classmates. There is a performance for family and friends on the last day of class.

Wonka and the Chocolate Factory

Step into a world of pure imagination in our *Wonka* summer theater camp! In this magical and sweet adventure, young performers will explore the whimsical wonders of Willy Wonka's Chocolate Factory. Through acting, singing, and dancing, campers will bring to life characters like Charlie, Veruca Salt, Augustus Gloop, and, of course, the eccentric Mr. Wonka! With fun theater games, creative storytelling, and colorful costumes, kids will work together to create a fantastical performance filled with golden tickets, Oompa-Loompas, and candy galore! This camp is perfect for young dreamers ready to have fun, make new friends, and discover the magic of theater. Performance for family and friends on the last day of camp.

Anna and Elsa Frozen Camp

Do you want to build a snowman? Join us this summer for an icy adventure in our *Frozen* Theater Camp! Young performers will step into the magical kingdom of Arendelle, bringing to life Elsa, Anna, Olaf, and all their friends through acting, singing, and dancing. Campers will learn to tell the heartwarming story of sisterhood, bravery, and love while exploring fun theater games and creating snowy scenes on stage. With beautiful songs like "Let It Go" and "For the First Time in Forever," kids will build confidence, creativity, and make lasting memories. This camp is perfect for young performers who want to let their imaginations (and their voices!) soar! Performance for family and friends on the last day of camp.

YOUTH ART WITH KIDCREATE

Kidcreate Studio's award-winning art classes allow kids to explore art in an environment full of giggles and grins. Kids create fridge worthy masterpieces while learning art concepts and experimenting with different art materials. The curriculum is age-appropriate and designed to inspire. Classes provide a fun, self-esteem building atmosphere full of "I did it" moments. Making a mess is the best with Kidcreate Studio.

This program is designed for children between 4 and 10 years old with a duration of 1 hour in the case of the Weekly Classes and 3 to 5 hours in the case of the Mini Camps. We have scheduled several lesson plans where children can explore with different materials and techniques. We will use clay, paint, paper, cotton, canvas, and many more where the children will make beautiful works of art worthy of being displayed on the refrigerator.

DIY Delights, Taylor Jewelry & Resin Creations with Kidcreate

Get ready to express your creativity with this super fun, hands-on jewelry and resin class! In this program, we'll dive into exciting projects that will let you design your own trendy accessories and custom art pieces. From creating your own succulent garden to making resin charms and Swiftie friendship bracelets, each project is a chance to show off your unique style. By the end, you'll have a whole collection of handmade items that are perfect to wear, share, or gift!

Canvas & Clay Creations: Hands-On Art Fun with Kidcreate

Bring out the magic of art with clay and canvas! In this camp, your child will get hands-on with 3D clay sculptures, like adorable bears, and create glow-in-the-dark owls and a scratch board painting of a cat. With step-by-step instructions, they'll discover the joy of experimenting with different materials while bringing their imagination to life. It's the perfect mix of creativity, fun, and learning as they explore the amazing world of art!

Art Mania: Drawing, Painting & Sculpting with Kidcreate

Ready for an art camp like no other? This camp has everything your child needs for a whirlwind of creative fun! We'll dive into all sorts of exciting projects, from drawing a silly llama to sculpting a box of donuts that looks good enough to eat. And that's not all—your child will also create one of our top favorites: a snow globe! With so many awesome projects, you'll want to clear some space for these fridge-worthy and display-ready masterpieces. It's going to be an art adventure like no other!

STEM LEGO WITH PLAY-WELL TEKNOLOGIES

The Core Engineering curriculum consists of Adventures in STEM and STEM Explorations. These programs are broad in theme and draw upon the greatest variety of possible projects. New students will be introduced to a world of possibilities, while returning students will be given new building challenges.

Themed programs such as Pokémon Engineering, Animal Adventures, and Wizarding World of Engineering continue to incorporate many engineering concepts while giving kids a chance to explore imaginative worlds that they already know and love. Older students can try our more challenge-based programs like Bash'em Bots or Engineering Design Challenge, where they will engage in the scientific method to test and hone their designs. Lastly, specialty curriculums such as our Mine, Craft, Build Gaming camps and Robotics programs take the LEGO® experience to a whole new level.

Minecraft Engineering with LEGO® Materials

Venture into the world of Minecraft in our unique LEGO® experience. Get ready to build your base, craft your tools, use your Minecart to harvest raw resources, and battle to stop the Ender Dragon from ending the world. Come explore the endless possibilities of LEGO® with a trained Play-Well instructor.

Minecraft Master Engineering with LEGO® Materials

Bring your favorite Minecraft adventures to life with our enthusiastic Play-Well instructors. In a Minecraft world powered by LEGO® resources, we will build shelters to keep out Creepers, craft mystical items that only true masters can wield, and perfect our crossbow skills to stop the Wither from taking over! If you can imagine it, we can build it.

Pokémon Engineering using LEGO® Materials

Calling all Pokémon trainers! MILTON TOPSOCCER THUNDER

This program is a community program that is not affiliated with the City of Milton Parks & Recreation Department.

The TOPSoccer Thunder Program is a community-based recreational program specifically designed to help athletes with physical and intellectual disabilities participate in soccer. The Thunder program has been a part of the Rush organization since 1992 and continues to grow in popularity, bringing soccer to players who refuse to let their challenges stop them from participating. The emphasis of the program is on development, training, and a rewarding experience rather than on competition, enabling individuals to improve their fitness and enhance their self-esteem. One-on-one assistance is available for those who are in need of it.

The TOPSoccer Thunder Program is an opportunity for the soccer community to come together and make a difference in the lives of all who participate.

If you have a player older than 16 interested in the Thunder Program, please contact Cara Murray at cmurray@rushunionsoccer.org for additional information.

YOUTH ART WITH KIDCREATE

Kidcreate Studio's award-winning art classes allow kids to explore art in an environment full of giggles and grins. Kids create fridge worthy masterpieces while learning art concepts and experimenting with different art materials. The curriculum is age-appropriate and designed to inspire. Classes provide a fun, self-esteem building atmosphere full of "I did it" moments. Making a mess is the best with Kidcreate Studio.

This program is designed for children between 4 and 10 years old with a duration of 1 hour in the case of the Weekly Classes and 3 to 5 hours in the case of the Mini Camps. We have scheduled several lesson plans where children can explore with different materials and techniques. We will use clay, paint, paper, cotton, canvas, and many more where the children will make beautiful works of art worthy of being displayed on the refrigerator.

How to register:

Go to www.miltinga.gov/Registration and click the "Art" tab.

NO SCHOOL DAY – MINI MUSEUM

Is your child the next Van Gogh or Degas? Or maybe Kandinsky or Chagall is more your young artist's style. Find out in this wonderful camp. We'll look at the work of famous artists who are featured in museums around the world! We'll work with a variety of art materials including plaster, paint, clay, and more. Your child will even have a chance to paint on a real canvas just like the artist they will be learning about did!

WEEKLY CLASSES – Artsy Adventures: Paint, Clay & Creativity

Does your child love everything art-related? From painting to drawing and sculpting with clay—it's all awesome! In this class, we'll dive into a variety of fun techniques and materials to create projects like 3D owls, stylish self-portraits, and cool clay coil creations. Get ready to roll up your sleeves, because this class is all about hands-on creativity and a little mess-making fun along the way! It's the ultimate art experience for every young artist!

SPRING BREAK – Marvelous Messy

Hey kids, do you love to get messy? Then this is the art class for you! We'll use clay, papier mache, paint and more simply sloppy supplies to make projects your mom would never let you do at home! We'll become masters at making a mess, learn some pretty cool stuff – and have lots of fun while doing it! Making a mess is the best!

WEEKLY CLASSES – Scent-Sational

Come for the pretty pineapple printmaking but stay for the sweet citrus scent! In this class, we'll draw, paint, sculpt and more, but we'll do it all with a very special twist- these SCENT-SATIONAL works of art all smell as sweet as they look! Come learn the secret ingredients for sweet-smelling artwork as we create cute pointillism cupcakes, a field of tulips, and more. Yes, you read it all right- this class is full of scratch and sniff artwork that smells as sweet as it looks!

CHILDREN'S THEATRE

with CandiNews Productions

CandiNews Production is Children's Theatre designed to awaken the creative spirit and imagination through acting, musical theater, and movement in a safe, noncompetitive environment. We'll work on all aspects of theatre, script analysis, and music. Our goal is to provide you with the opportunity to have fun exploring the creative arts and discovering new talents while you build on those you already have.

We actively engage in theater exercises, participate in group warmups, and work with fellow classmates. There is a performance for family and friends on the last day of class.

How to register:

Go to www.miltonga.gov/Registration and click the "Theater Classes" tab.

Hamilton

Explore the groundbreaking musical that has taken the world by storm. This class delves into the innovative storytelling, dynamic characters, and genre-blending music that redefines how we see history. Students will analyze the narrative structure, lyrical genius, and cultural impact of this iconic production. Through interactive discussions, scene studies, and vocal workshops, participants will gain a deeper understanding of the historical figures and events that shaped the United States, all brought to life through the brilliant lens of Lin-Manuel Miranda. Get ready to immerse yourself in a revolutionary theatrical experience that combines hip-hop, R&B, and traditional show tunes in a way that's both educational and incredibly entertaining. Performance for family and friends on the last day of class.

Descendants: The Rise of Red

Join the wickedly fun world of Auradon and the Isle of the Lost in this exciting summer theater camp inspired by Disney's Descendants: The Rise of Red! Campers will unleash their inner villains and heroes as they dive into the world of Mal, Evie, and the next generation of Disney's most notorious characters. Through acting, singing, dancing, and creative storytelling, kids will explore thrilling new adventures, create their own villainous characters, and work together to put on a magical performance full of mischief and surprises. With cool costumes, epic battles, and tons of fun, this camp is perfect for anyone who loves a good story with a wicked twist. Let's rise up and rule the stage! Performance on the last day of class.

STEM LEGO

with Play-Well TEKnologies

The Core Engineering curriculum consists of Adventures in STEM and STEM Explorations. These programs are broad in theme and draw upon the greatest variety of possible projects. New students will be introduced to a world of possibilities, while returning students will be given new building challenges.

Themed programs such as Pokémon Engineering, Animal Adventures, and Wizarding World of Engineering continue to incorporate many engineering concepts while giving kids a chance to explore imaginative worlds that they already know and love. Older students can try our more challenge-based programs like Bash'em Bots or Engineering Design Challenge, where they will engage in the scientific method to test and hone their designs. Lastly, specialty curriculums such as our Mine, Craft, Build Gaming camps and Robotics programs take the LEGO® experience to a whole new level.

YOGA CLASSES

Gentle Yoga Mondays

Geared specifically for those who want a softer, less intense yoga practice (and also perfect for those who are new to yoga), Gentle Yoga will help you unwind, release tension in your muscles, and stretch out the sticky spots. Most poses are mostly floor-based (and we will sometimes utilize the chairs in the room for a highly effective Chair Yoga class).

We'll incorporate delicious twists, folds, and longer holds to allow for true release in both body and mind. You'll leave class feeling more "zen" than when you arrived...and (gently) stretched out. Please bring a yoga mat and bottle of water. ALL LEVELS.

Slow Flow Thursdays

Sometimes you need to move and stretch and strengthen every body part...you just need to do it a little more, well, slowly. Welcome to vinyasa with a little less speed. A little less zest.

You'll "feel" each and every pose because we'll take a longer pause between the flow, but don't mistake this for a gentle class! You'll leave feeling focused and energized with every muscle and ligament worked... but slowly and with intent. Please bring a yoga mat and bottle of water. ALL LEVELS.

SCOUT PROJECTS

Milton is home to many outstanding young people in scouting with a desire, and follow-through, to positively impact our community. Many aim to become Eagle Scouts; others are pursuing Girl Scout Gold Awards. Past efforts have led to difference-making projects such as educational signage, little libraries, benches, and more at City parks. The City has developed a program to facilitate such projects. For Scouts, this provides an easy-to-use and easy-to-comprehend process to submit their suggestions and work with Milton to follow through on them. For the City, this system funnels all needed info to the right place. And for citizens, it can help the resulting projects have a targeted and significant impact.

Scouts interested in doing a project with the City – including as part of becoming an Eagle Scout or to win a Gold Award – can go to www.miltonga.gov/ScoutProjects and fill out the form at the bottom. If you have questions, please email parksandrec@miltonga.gov.

ADOPT-A-TRAIL

Are you, your organization, your family, or your business interested in "adopting" a Milton trail? Visit: www.miltonga.gov/adopt-a-trail to see what trails have been and still can be adopted. The City's Adopt-a-Trail program lets groups, businesses, and families "adopt" trails – meaning regularly inspect and clean them, getting recognition for doing so – within the City parks system.

Like Adopt-a-Road, this program gives citizens the opportunity to make a positive impact in our community. In this case, that involves taking action to ensure the beauty, safety, and specialness of one of Milton's many picturesque trails.

JUNIOR RANGER BOOK

Does your child love the outdoors?
Do they enjoy a walk in the park?
Are they fascinated by wild animals, birds, or bugs?
Or just as intrigued by beautiful and cool-looking trees and plants?
They're invited to become one of Milton's first Junior Rangers.

Print the Junior Ranger book, complete activities, and schedule and attend the upcoming Junior Ranger Pledge ceremony (hosted monthly) to receive your official Junior Ranger badge.

SENIOR PROGRAMS

Through a strong partnership with the City of Milton, Senior Services North Fulton offers activities, services, and community for adults over 60-years-old. This all takes place at the Thomas Byrd Sr. House – a historic City-owned and maintained property at the intersection of Hopewell and Birmingham roads.

This program aims to engage and enrich the lives of seniors by offering them age-appropriate experiences and opportunities. Fulton County residents can be picked up, transported to the Byrd House on weekdays, then brought back home again (if bus seats are available) – all free of charge – a service that aims to make it easier, and more convenient, for people to benefit.

While at the Milton Senior Center, people enjoy complimentary lunches and participate in various activities such as:

- Art and crafts
- Classes on nutrition and other helpful topics
- Occasional trips to local restaurants or stores
- Table games
- Chair Tai Chi
- Computer access
- Chair Yoga

... And other offerings for those who might find standard gym classes too rigorous or want to do things with people (and potential future friends) around their age.

If you or a loved one is interested in what Senior Services North Fulton, and specifically the Milton Senior Center, has to offer, please call **770-475-7500** or email **milton@ssnorthfulton.org**.

Swim Lessons

Dynamo Swim School is pleased to offer group swim lessons for the City of Milton this summer for 2025. We will be offering a preschool curriculum which is for ages 3-5 and a grade school curriculum for ages 6-14.

Our swimmer to instructor ratio is 4:1 for preschool and 5-6:1 for grade school. On the first day of classes, we will do an evaluation of the swimmers to determine what level they should be placed in. Our curriculum is progression based; thus, it builds upon prior skills learned.

We will be offering 1/2-hour classes, two days a week.

Rules and Precautions

Those enjoying Milton's City Pool must abide by a number of rules aimed at ensuring everyone there has a safe and enjoyable experience. These touch on a range of common-sense topics such as no glass objects, animals, running, roughhousing, or entering the pool with open wounds.

For details on these rules and more, check out www.miltonga.gov/Pool. At that webpage, you'll find a link to the City's "Counter" showing how many people are at the pool at a given time as well as the "Lightning Status" (since the pool will close if lightning is nearby).

PARKS & FACILITIES

How to rent a facility

The City of Milton owns and maintains numerous active parks and facilities – used for sports and other programs and activities – as well as passive preserves, where people enjoy nature without development, fields, or buildings. All of these parks and facilities belong to Milton residents and serve as great showcases of the city's love of the outdoors.

Citizens, businesses, and organizations can rent some of the facilities. Those that are available for rent are marked with this graphic. To do so, go to www.miltonga.gov/Registration, and click "Rent a Facility". There you'll see the rates for that facility and more details.

List of Parks and Facilities

Bell Memorial Park

- 15245 Bell Park Road
- Bell Memorial has four baseball fields, two multi-purpose artificial turf fields, pavilions, picnic areas, parking, concessions, and a playground. It is routinely used by various athletic programs (including baseball and lacrosse), families, and others looking for a great place to exercise and connect. It also features a nature trail, part of which is ADA accessible.

Bethwell Community Center

- 2595 Hopewell Road
- The Bethwell Community Center is an indoor space that serves as a home for Milton's Parks and Recreation programs and activities. This standalone, one-story structure is also available for private or group rentals. Bethwell Community Center features a kitchenette with a refrigerator, freezer, sink, and microwave. Right outside, you'll find a small playground and small green space.

PARKS & FACILITIES

Birmingham Park

- Accessible via 750 Hickory Flat Road
- Birmingham Park is a great place to escape into nature. The 200+ acre park features ten multi-use, natural surface trails that meander past woods, meadows, and creeks. It is popular with a variety of outdoor enthusiasts, including equestrians and hikers. A new map was unveiled in 2023, highlighting the over 6 acres of marked accessible trails on the property!

Broadwell Pavilion

- 12615 Broadwell Road
- The Broadwell Pavilion features a 40-foot by 52-foot open pavilion with picnic tables and restrooms. The Pavilion is home to City events like the Independence Day Walking Parade and Christmas in Crabapple. It also hosts private birthday parties, weddings, and other celebrations. Just outside of the Pavilion, you will find a small green space and playground.

City Hall – Community Place

- 2006 Heritage Walk
- Community Place is located on the grounds of Milton City Hall. It comes with a computer and projector capable of hosting small meetings and gatherings. Just outside you will find restrooms, seating, and the bustling downtown Crabapple area.

PARKS & FACILITIES

Milton City Park and Preserve

- 1785 Dinsmore Road
- The Milton Parks and Recreation Center is part of the former Milton Country Club property. It contains the courts that make up the Milton Tennis Center, the City Pool, as well as a recently renovated community and recreation center that had once been a clubhouse. Courts at the Tennis Center are available for rent, as is the multi-room Community Center that overlooks (out the back) the property's 130-acre greenspace, including a walking trail.

Freedom Park

- 13200 Deerfield Parkway
- Freedom Park is a small park tucked in the corner of the East Milton in an area known as Deerfield. It features a small, paved walking path and outdoor workout equipment. The park is home to a memorial that honors those who have served in our Armed Forces.

Freemanville-Birmingham Greenspace

- 15660 Freemanville Road
- This City greenspace features 21 acres of pasture-like terrain by the corner of Freemanville and Birmingham Roads. This mostly flat property has fenced-in spaces, several trees, and a parking lot large enough for horse trailers to turn around. People are welcome to enjoy it, as are leashed dogs and horses being led and/or ridden.

PARKS & FACILITIES

Friendship Community Park

- 12785 Birmingham Highway
- Friendship Community Park is a joint venture with the Fulton County School System. Located between Crabapple Crossing Elementary and Northwestern Middle School, it features a picnic pavilion, walking path, half-court basketball, and play field. During school hours, Friendship Park is closed to the public. It opens after school hours and closes at dusk.

Lakhanani Preserve

- 990 Lackey Road
- The Lakhanani Preserve features 1.5 miles of wooded trails on a 106-acre property that the City purchased in 2018 as part of the Greenspace Bond program. This picturesque southwest Milton property – formerly owned by the Wolff family – is set off a rural gravel road and includes winding, rolling trails. Starting at a gravel parking lot that holds about 15 cars, visitors walk alongside (and, in some cases, over) bubbling creeks, watch cows munching in an adjoining pasture, traverse through dense forest, and enjoy views of Wolff Lake.

Legacy Park

- 170 Cox Road
- The recently transformed Legacy Park features two large multisport turf fields, as well as a smaller half-sized turf field near the park's entrance. Milton's lacrosse, soccer, football, and baseball programs use the facility, parts of which can be rented out.

PARKS & FACILITIES

Mayfield Park

- 1000 Mayfield Road
- This 5-acre property sits along Mayfield Road next to the Lakeside at Crabapple neighborhood, just north (and on the other side of the street) of Milton Library and a short walk from Milton's downtown as well as several schools and offices. It features a pier, pavilion, and walking trails.

Providence Park

- 13440 Providence Park Drive
- Providence Park is a nature-lover's haven in the heart of Milton. Every day, runners, walkers, dogs and even fishermen enjoy its 42 heavily wooded acres, parts of which overlook Providence Lake. On the lake there is a fishing pier for the public to enjoy. There are three trails at the park, including a .5 mile trail that is paved and ADA accessible.

Thomas S. Byrd Senior House

- 15690 Hopewell Road
- One of the most historic properties in Milton, the Byrd House is a nearly 4,000-square-foot, two-story home that dates back at least to the mid-1800s. The building sits on 2.5 acres and serves as the home for Milton Senior Services.
